outside

**HE'S**

eleven years old and his mum is in prison but no one asks how he is

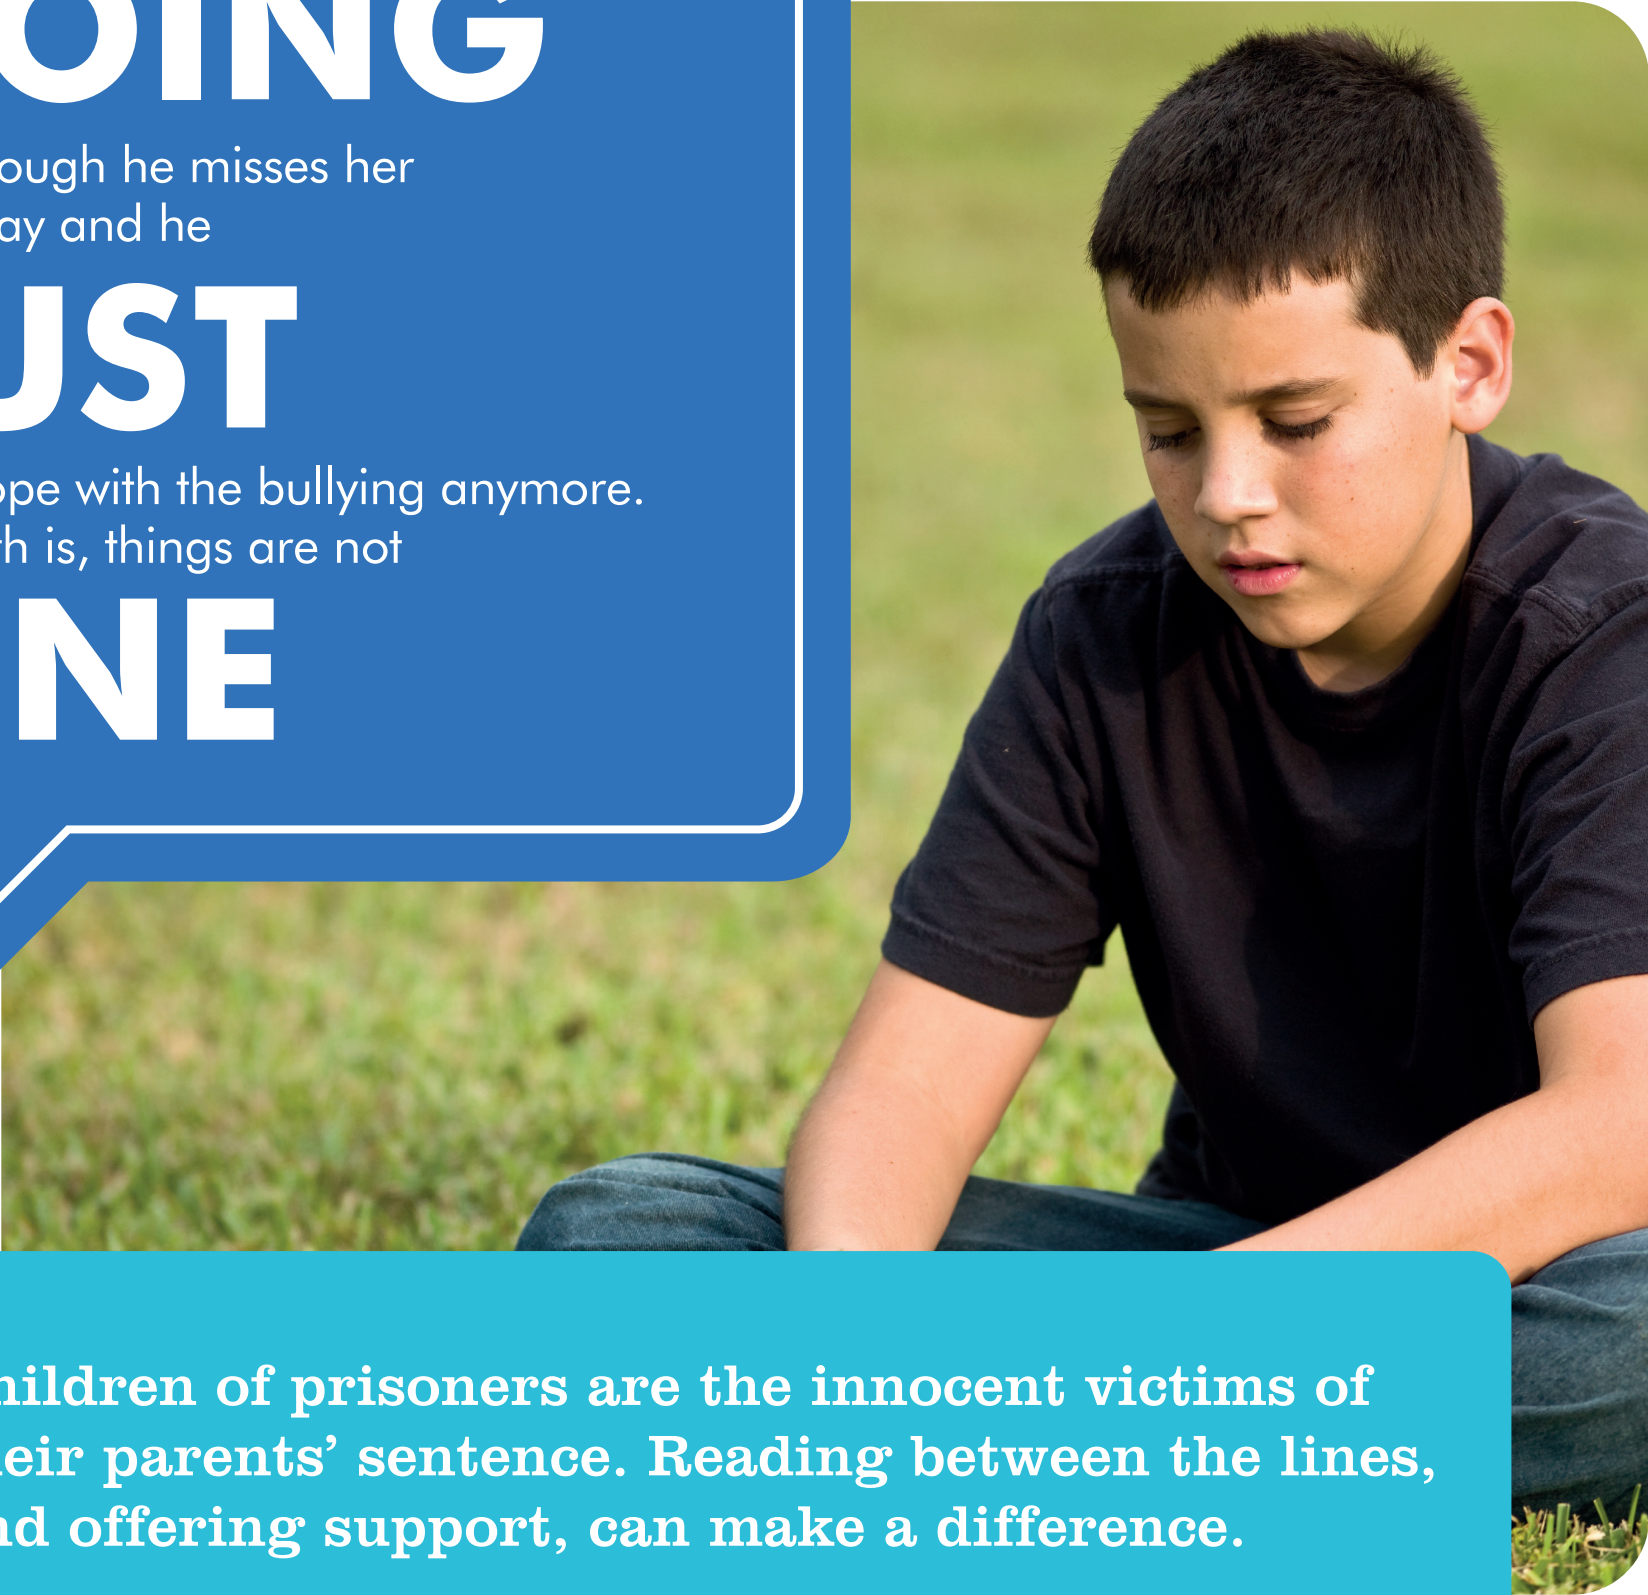

**DOING**

even though he misses her every day and he

**JUST**

can't cope with the bullying anymore. The truth is, things are not

**FINE**

**Children of prisoners are the innocent victims of their parents' sentence. Reading between the lines, and offering support, can make a difference.**

**Contact Families Outside to find out how.**
