

Dear _____ ,

Children
Heard+Seen

I drew this picture of
my favourite animal
for you!

If I could choose my favourite food for dinner I would choose:

Write down what you'd like to eat, like: McDonalds, steak & chips, a curry, a boil-up, Lasagna, a bowl of strawberries, KFC or ice cream!...

My favourite animal in the world is:

Is there a cartoon animal in any TV or internet show you watch? is there a cat or dog that lives at your house? does your school have any pet fish, rabbits or mice. What about the fish in the sea?

Something I really like about myself is this...

I'm brave, I'm kind, I can make people laugh, I have a good imagination, I am helpful,
I am reliable, I can run fast and this make me feel, special, nice, happy, hopeful...

One question I'd like to ask you is:

Ask your parent any questions you'd like to know about them: what's their favourite colour? what did they do today?

These are 2 reasons why I love you:

You give me hugs, you make me feel special, you encourage me, you make me feel happy, I love hearing your voice, you are my favourite person in the world. (you can draw pictures to!)

Dear _____ ,

I drew this picture
of a spaceship
for you!

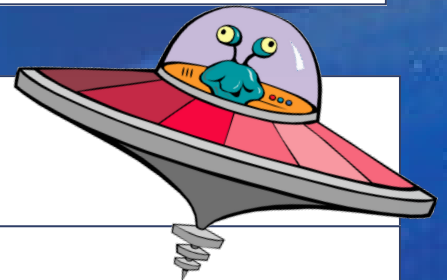

I look forward to the weekends because:

I like to sleep in, I get to play with other kids who live close by, I get to watch TV and listen to music, I help cook or do some baking.

If we could go anywhere on a SPACESHIP –
this is what I'd like to go & see!

A tiger in the jungle, an alien on the moon, the Milky Way, you!

Today I saw:

An aero plane, flowers (what colour?), 4 cats, one lady wearing a hat, a purple car, a funny cartoon.

One question I'd like to ask you is:

Ask your parent any questions you'd like to know about them: what's their favourite colour? what did they do today?

Dear _____,

I drew this picture of
a pirate's treasure for
you!

My favourite toy, book, or sport is:

Did your teacher read a story you liked? What did you do at lunchtime? Did you learn something new? Were you kind to someone? Did you try your best?

This week, I had a dream that...

Tell your parent all about a crazy dream you've had recently, or, if you can't think of any, make up a fun story instead!

If I was an animal, I'd be a... because...

What animal most represents your personality? Why?

Dear _____ ,

I drew this picture
for you!

By the time you come home, the things I want to become good at are:

My goal is to be...I want to be good at spelling, I'd like to be better at maths, I'd like to be able to play you something on my guitar, I'd like to become really good at art, I'd like to become a green belt at Judo or Karate, I want to be able to bake a cake...

This I my plan to achieve my goal:

I'm going to write my goal on a big piece of paper & put it on my wall, I am going to practice every-day, ask my teacher for help, find books that will give me some tips, be happy with my achievements – even if it is just a small improvement & not give up...

My favourite song is... Because it makes me feel:

Write down your favorite song & who sings it.

Then write if it makes you feel: happy, like dancing, like jumping, like singing along ...

One question I'd like to ask you is:

Ask your parent any questions you'd like to know about them: what's their favourite colour? what did they do today?

If we could go anywhere in the world on a
MAGIC CARPET – this is what I'd like to go & see!
